BROOKS: RADNET EXPANDING MONROE COUNTY OPERATIONS TO SERVICE CALIFORNIA DIVISION, CREATING 36 NEW JOBS

Monroe County Executive Maggie Brooks today announced that RadNet, Inc., a diagnostic imaging company, has decided to move a portion of its Los Angeles, CA Reimbursement Operations Division to Monroe County, creating 36 new jobs. RadNet is the parent company of IDE Radiology, which has several locations in the Rochester area. RadNet will expand into 12,500 square feet of office space at Bushnell Basin Office Park in Perinton, more than doubling their current space. RadNet will invest in equipment and infrastructure for their expanded operations. The 36 new positions are administrative and include management and line staff personnel.

*"RadNet's decision to move part of their California operations to Monroe County, creating 36 new jobs, is a great victory for our local economy. It proves yet again that with tremendous assets like our highly skilled workforce, our community can compete with other areas of the country when it comes to attracting business investment and jobs," said **Brooks**. "Monroe County is proud to assist RadNet with their expansion and we thank the company for choosing to grow their business here."*

*"We are very excited about the opportunity to expand our Rochester operations. The area has been a great location for our business and we look forward to continuing to be part of the Rochester community," said **Nancy Murr**, Senior Vice President, RadNet.*

Founded in 1980, RadNet is a national leader in providing high-quality, cost-effective diagnostic imaging services through a network of 134 owned and operated outpatient imaging centers. With operations in seven states – New York, California, Maryland, Florida, Kansas, Colorado and Minnesota – RadNet is the largest owner and operator of fixed diagnostic imaging centers in the United States.

RadNet currently employs 29 people at its Reimbursement Operations Office in Perinton. This office is responsible for all aspects of revenue capture for the company's IDE Radiology subsidiary, based in the Rochester area, and Radiology Imaging Associate subsidiary, based in the Treasure Coast area of Florida. RadNet employs a total of 152 full-time and 70 part-time/per diem employees in Monroe County. The company employs 4,000 nationwide.

In consideration of RadNet's commitment to growing their business in Monroe County, the company is eligible for incentives through COMIDA for the purchase of equipment.
